University Wellbeing

*Campus Community Health

Through our three areas - the Counseling Center, Health Promotion, and the University Health Center - the office of Campus Community Health works to help keep you healthy and safe through health promotion, preventive health and wellness programs, counseling services, and coalition building with both on-campus and off-campus partners. We are committed to addressing and reducing the impact of physical, mental, and emotional health issues on students, through the delivery of quality primary care services and support, in a manner consistent with your level of need.

*Counseling Center

The Counseling Center at the University of Central Missouri provides a variety of services and offers a safe place for you to address any concerns you have about your life or the way you are functioning. Our professional clinicians are here to listen and offer guidance on a variety of personal and social issues. The center also offers Mental Fitness workshops designed to help strengthen your skills for managing life's challenges. Attend at least five workshops in a 12-month period and earn credit on your UCM experience transcript! **660-543-4060**

*Office of Health Promotion

The Office of Health Promotion at UCM helps students learn, grow, and thrive through education about, and engagement in, health-promoting and risk-reducing behaviors. Using sound data and best practices such as the Spectrum of Prevention, the Strategic Prevention Framework, and the Social-Ecological Model, we work to put the power of prevention in the hands of our students.

660-543-8947

*Care To Act

Part of the Office of Health Promotion, **Care To Act** is UCM's primary approach to reducing harm on campus and in our community, focusing on the areas of alcohol and other drug misuse, interpersonal violence, bias/discrimination, and mental health/suicidality. **660-543-4769**

*University Health Center

The University Health Center (UHC) at the University of Central Missouri has a team of dedicated health care professionals available to address your needs. Whether you have an illness or injury or need a routine physical or immunization, we're here for you. If you have ongoing health care needs, our staff can work with your primary care physician to provide lab work, blood pressure checks and other care. We also dispense medications (only those prescribed by UHC providers) and over the counter medications, and have a CLIA-certified lab and immunization clinic.

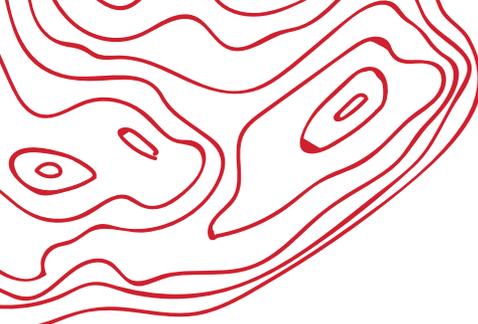

660-543-4770

Title IX/Sex Discrimination & Sexual Misconduct

The University of Central Missouri (UCM) seeks to foster a safe and healthy environment built on mutual respect and trust and is committed to affording equal opportunity in employment and education. UCM believes everyone should have the opportunity to experience our educational environment and University activities free from discrimination. Sex discrimination, including sexual harassment, sexual violence, and other forms of sexual misconduct will not be tolerated. The University prohibits discrimination on the basis of any protected characteristic, including sex, pregnancy, gender identity, gender expression, and gender (non)conformity. By law, UCM has a responsibility to respond promptly and equitably to reports of sexual misconduct. Learn more about mandated reporters and those with privilege of confidentiality.

Title IX Support Line: 660-441-4855; Title IX Coordinator: 660-543-4114

Safety
