

2024 UCM Summer Arts Camps What To Bring to Camp

1. Everyone:

- **Medical Release Form**
- **Photography Waiver**
- **The remainder due of the tuition** (unless you are receiving a scholarship or have already paid in full)

Also remember that:

- **All Art Camp students are assessed a \$75 materials fee**
- **Stage Make-Up students can either bring their own kit OR can pay at \$25 fee and will be provided with supplies**

- Swimming suit, beach towel, **sunscreen**, sandals or flip-flops (for Thursday's swim and picnic)

- Refillable water bottle. (Note: the water on campus is hard.)

- Pencil and a notebook (or binder with loose leaf paper) for taking notes during classes and lessons.

- Dressy outfit for the Friday Gallery Showcase and Closing Concert.
Note: Music and Dance performers should Avoid the following:
 - white dresses (because the lights shine through them),
 - low cut necklines (because when you bend over, you end up showing more than you meant to)
 - For musicians who will be sitting down while performing: avoid skirts with a hem above the knee (because it will ride up too high on the leg).

2. Dormitory Residents:

- Bedding for a twin size mattress: flat and fitted sheets, pillow with case, and a warm blanket

- Casual clothes to last you for the week (and a light jacket, as it is sometimes cool in the dormitory and music buildings)

- Outfit for Friday performance. (See note above in the section for "Everyone")

- Toiletries: Anything you would use in your bathroom at home; nothing is provided in the dormitory bathroom other than toilet paper.
 - So: toothbrush, toothpaste, shampoo, hair dryer, and a box of kleenex. Girls should bring period products.
 - Advisable but not required: band-aids, nail clipper

- Small amount of spending money (while students won't be shopping, they can request small items from Walmart that the counselors will procure.)

- Optional: packaged snacks like granola/protein bars. (The days can get pretty tiring.)

Note: there are no refrigerators in the dorm rooms.

If students have medication that needs to be kept in a refrigerated state, please let the Camp Director know and arrangements will be made.

3a. Additional items to bring: Music Students

- **Your instrument and any supplies you need for the week** that go with the instrument (extra strings, reeds, etc.)
- **Metronome** (or a metronome app on your cell phone)
- **Music for study in lessons and performance on recital**
Each student will have 4 lessons. Recital performances are optional and not guaranteed. (We have over 40 music students this year, so only a very small number of students will be playing solos on stage at any time during the week.)

If you **have had private instruction** on your instrument:

We recommend that students bring 3 pieces for study in the lessons. Pieces need not be already polished; in fact it is nice if the pieces are in varying degrees of readiness.

Note: If the home/private teachers have any specific items they want you to address in the private lessons, let your camp instructor know at the first lesson and your camp instructor will be happy to focus on those objectives.

If you have **not had private** instruction, you can bring whatever books you used in band class or choir. If you don't have those handy, our camp instructors will be happy to fashion a plan of exercises and/or repertoire for the week's focus.

3b. Additional items to bring: Theater & Dance Students

- Refillable water bottle and a sweat towel (for the dance class)
- Dance clothing that allows freedom of movement and for the instructor to see the line of the body. Moisture wicking material is best to move in. Acceptable clothing options include: athletic/yoga wear, leotards, tights/leggings, compression pants, biker shorts (8"), fitted sweatpants, fitted tank tops or t-shirts. Supportive undergarments **MUST** be worn (i.e. sports bras/dance belts).

Note that there is **NO STREET CLOTHING OR SHOES ALLOWED** in the dance studio itself - this include jeggings/rompers/jumpsuits/dresses/hats. Hair must be secured back, all jewelry should be removed (this is for safety purposes), and students should practice good hygiene.

- Dance footwear: If you already have **black jazz shoes**, that is ideal. However, a **flexible black Keds shoe that's never been worn outside, or socks**, will also be fine.
- For students who are taking the Stage Makeup class *and bringing their own kit instead of getting supplies from camp*:
 - a foundation,
 - cream highlight and shadow,
 - eyeliner,
 - blush,
 - a neutral lip color, and
 - finishing/setting powder.

3c. Additional items to Bring: Art & Design Students

- For students taking the ceramics class, you must have closed toed shoes.
- For students taking Painting & Drawing, we recommend bringing a set of old clothes, an apron, or an oversized shirt.
- A sketchbook
